Section 2: Customs treatment

I/we hereby instruct and authorise GLS to carry out customs clearance for my/our consignment(s) on the basis of the following agreements:

Option 1 – Clearance for free circulation

(Customs clearance by GLS in direct representation on the basis of the documents provided. Any import duties and customs clearance costs incurred will be charged depending on the Incoterm)

Option 2 – Duty unpaid delivery under the transit procedure (T1)

(For Incoterm 20/60, the costs per T1 will be charged to the applicant.)

Customs office of destination: _____

Authorisation number of the authorised consignee: _____

Option 3 – customs destruction

(The consignment is to be destroyed by the customs authorities. A GLS destruction fee will be charged to the declarant).

Other information:

This power of attorney remains valid until revoked unless you have specified a time limit under "Other Information." You may revoke this authorization at any time with future effect.
